

*God has put a call upon our church to reach our city and the uttermost parts of the world with His love. We are building this campus not only to meet the growing needs of our family, but to facilitate the work God has called us to around the world.*

## LETTER FROM JIMMY:

Dear Antioch Family,  
I'm so thankful for the abundant ways you've been involved in this giving journey. God is as much at work in the process as He is in the final product. For Laura and me and our kids, it has been a great journey of giving and watching God work, not only in our personal lives, but also in the lives of so many others. My prayer is that 2014 would be our greatest year yet in seeing this campus built for all the great work God has called us to, here and around the world.

In His strength & love,

*Jimmy Seibert*  
Senior Pastor

## GENEROSITY IN ACTION:

To date, more than **\$5 MILLION** has been donated, and you gave more in 2013 than in 2011 or 2012! We have all the money necessary to finish the exterior of the building and have \$57,000 toward the next phase of construction.

I'm pumped that we will have room to accommodate everyone who wants to come, so there's no fear of turning people away. – Parker, Baylor Student

I'm excited that the kids will have all this building! -Benjamin, age 10

## PLEASE JOIN US IN PRAYER FOR THIS JOURNEY:

Here's how you can pray:

- For everything we do in this process to be for God's glory and a testimony to our city about what He can do
- For God's presence to saturate and sanctify our new space and for it to be holy ground
- For God to provide everything we need
- For everyone who gives to be blessed and for God to meet our needs as we give
- For everyone working on the project to be safe and work with creativity and excellence

The idea of more people in our community being blessed with God's Word is pretty awesome!  
- Candace, age 32

## HOW YOU CAN JUMP IN:

You are an important part of this family. By committing to give, you are putting your faith into action and supporting what our family was made for: to make space for more people to experience the love of Jesus. If you have not turned in a commitment card within the last six months, please turn one in. Knowing your commitment, whether that is weekly, monthly, yearly or a one-time gift, will enable us to plan the timeline for signing the remaining construction contracts.

A commitment card is available in the seat-back pocket or you can go to [antiochcc.com](http://antiochcc.com) and click on the commitment card graphic on the homepage.

## IMPACTING THE NEXT GENERATION:

Our next giving day is February 23rd. This is a time for us to come together and give above and beyond! We will focus on our Kids Ministry and the impact the new kids space will have on the next generation!

## NEXT GIVING DAY

February

I am excited the whole church is getting on board - even the kids are catching the vision. As needs are presented, it is neat to see kids come and say they drew pictures and sold them or ran lemonade stands. - Ken, age 62
